AOFOG 2024

May 16 (Thu) - 20 (Mon), 2024
BEXCO, Busan, Korea

Welcome to Busan, Korea!

It is our privilege to inform you that the 28th Asia and Oceania Federation of Obstetrics and Gynecology Congress (AOFOG 2024) will be held from May 16 (Thu) to 20 (Mon), 2024 at BEXCO in Busan, hosted by the Korean Society of Obstetrics and Gynecology (KSOG).

AOFOG 2024 aims to exchange information based on the experiences and cases of community leaders in obstetrics and gynecology in Asia and Oceania, understand the current issues of each member state, suggest directions for women's health in Asia and Oceania, and promote cooperation between countries.

There is no doubt that the AOFOG 2024 will provide in-depth discussions and continue the legacy of the previous AOFOG congresses.

Busan, the host city of AOFOG 2024, is the second largest city in Korea and is located in the southeast of the Korean Peninsula. Its deep harbor and calm waves have made it the largest container handling port in the United States and the fifth largest in the world. Because of its natural environment and rich history, Busan has earned a reputation as a world-class city for tourism and culture, as well as a hotspot for international conventions.

We look forward to seeing you at the AOFOG 2024 in Busan, Korea!
